

PREPARING FOR YOUR PHOTOGRAPHER

For the best possible photos

INTERIOR PREPARATION

- Please ensure your property is thoroughly cleaned, hire a cleaner for the day if required.
- De-clutter your home and place excess items in boxes in the cupboard, garage or donate to charity.
- Turn on all the lights and open all the blinds/curtains. Ensure all light bulbs are working. Including lamps.
- Remove all pet bowls and beds, hide the kids toys in a cupboard or in the garage.
- Ensure cables and extension chords are hidden away or neat.

BATHROOM

- Empty all the items out of the showers and bathrooms except for a plant or decorative item.
- Put away all cleaning products including soaps and sponges.
- Make sure toilet lids are placed down.

KITCHEN

- Take all the magnets and papers off the fridge and remove all drain racks and clutter.
- Clear the kitchen bench and place a vase of flowers or bowl of fruit.

EXTERIOR PREPARATION

- Remove cars from the driveway and close the garage door.
- Take the creepy crawley out of the pool and remove any inflatable toys.
- Put up any outdoor umbrellas in outdoor seating areas. Put away any childrens bikes.
- Mow the lawn and weed the garden.

TWILIGHT PREPARATION

- If you have booked a twilight shoot, lighting will be critical. Please ensure all lamps are working, plugged in, switched on and light some candles to help your home shine.

*** Please be reminded that the photographer is not available to move furniture or clean your home, so please have your property prepared prior to the appointment time**
